

# A SHARED VISION OF 21ST CENTURY, DEEPER LEARNING FOR EVERY STUDENT

**A vibrant national network of innovative school systems energized around a collective vision—Portrait of a Graduate.**

*“We leave EdLeader21 Network events not thinking about yesterday, but thinking about how we can make deeper learning experiences for our students and our teachers better for tomorrow.” —Talisa Dixon, Superintendent, Columbus City Schools, OH*

Members have a shared vision: that each student experiences an education that purposefully integrates rigorous academic content with the skills and mindsets that empower students as lifelong learners and contributors in our ever-changing world.

*“Many networks now talk about the value of a Portrait of a Graduate. Battelle for Kids understands the DNA of a Portrait of a Graduate and has the capacity to ensure organizations successfully move from Portrait to Practice.” —Michael R. McCormick, Superintendent, Val Verde Unified School District, CA*

# LEARNING TOGETHER

## Member Experience 2022-2023

Focused learning experiences are offered throughout the year to support superintendents and their teams as they create and implement a vision of 21st century, deeper learning—a Portrait of a Graduate—and inspire change across the entire system.

### ANNUAL EVENT & PORTRAIT TO PRACTICE EXPO

Convene annually to collectively advance deeper learning by showcasing innovative practices, learning together, and building capacity. Powerful learning happens by bringing a team to engage in professional learning to advance 21st century, deeper learning for every student.

### SPRING SUPERINTENDENT SUMMIT

Gather with superintendents for an interactive, collaborative 2-day professional learning experience to apply compelling new thinking, research, tools, and practices to scale and sustain deeper learning across the entire district.

### SUPERINTENDENT ROUNDTABLES\*

Connect and learn from fellow superintendents throughout the year to leverage the power of the network. Members share successes and challenges on the journey towards implementing a vision of 21st century, deeper learning.

### CURRICULUM LEADERS ROUNDTABLES\*

Participate in sessions designed for members with similar responsibilities (e.g., chief academic officers, assistant superintendents, directors of curriculum/assessment) to collaborate with one another in making sustainable transformation.

### TEAM ACCELERATION SERIES\*

All educators and staff are invited to participate in these experiences offered throughout the year.

- **Virtual Site Visits:** Interactive site visits to member districts showcasing deeper learning practices coming to life.
- **Special Guests:** Conversations with leading experts in the field of 21st century education.

### LEADERSHIP PACKS

Access leadership tools that enhance capacity at a local level to inspire and support system leaders to accelerate deeper learning for every student.

### COLLABORATION PLATFORM AND NEW! EDLEADER21 NETWORK APP

Connect with others and access tools and resources developed and curated by network members and Battelle for Kids to support the implementation of deeper learning experiences systemwide.

*\*virtual convenings*

#### ASK THE CONCIERGE

Dedicated support to answer questions and connect members with resources and each other.
