ARE YOU LEADING INNOVATION IN EDUCATION?

Do you have a story to tell?

This annual event brings together superintendents, principals, and teacher leaders who believe we can do better for kids. Students deserve leaders who are committed to advancing 21st century learning experiences for every student.

At Leading Together 2019, we encourage courageous, innovative leaders in education to share their story to energize and inspire others on the same journey.

Leading Together 2019

We're looking for innovation in education across these three strands:

ENVISION

A unifying and enduring strategic direction for the community's shared commitment to 21st century learning experiences for every student, supported by a strategic plan as the roadmap to success.

TOPICS COULD INCLUDE:

Portrait of a Graduate, strategic planning, establishing a learning culture, habits of systems thinking.

EMPOWER

Educators with tools, resources, and supports necessary to design and implement 21st century educational experiences that ensure all students are prepared to be lifelong learners and contributors.

TOPICS COULD INCLUDE:

Cultivating teacher leadership, human capital systems, social-emotional learning, student voice, 21st century literacies, academic rigor, global citizenship, and 21st century learning design.

ENGAGE

Through a responsive and inclusive culture, embracing diverse perspectives from students, staff, and community, while deepening shared community commitment for every learner.

TOPICS COULD INCLUDE:

Diversity, equity, and inclusion; restorative practices; cultural fluency; learning networks; community engagement; and higher education and workforce partnerships.
