TENNESSEE FIRST TO THE TOP   Tennessee Student Progress Portal

Access Online Learning Available at No Cost to K–12 Public Schools

Battelle for Kids is pleased to offer access to a series of online learning opportunities available at no cost to all Tennessee K–12 public schools as part of First to the Top. The following offerings build educators' capacity to use formative instructional practices, value-added progress measures and effective strategies to improve teaching and learning.

- Formative Instruction Online Courses
- Value-Added Online Courses (Organized by District-, Building- and Teacher-Level Learning Paths)
- Goal Setting (Tennessee•Focus) Path
- Strategic Compensation Online Courses
- Highly Effective Teacher/Principal Online Courses (Organized by Highly Effective Teacher and Highly Effective Principal Learning Paths)
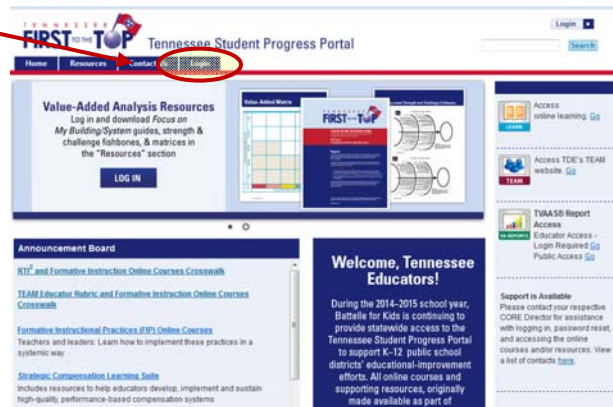

Log In and Enroll

1. To enroll, visit www.BattelleforKids.org/Tennessee to access the Tennessee Student Progress Portal.

2. On the portal home page, select the "Login" tab.

3. If this is your first time logging in, select "Create New Account," enter your respective work e-mail address and the access code. Returning users should enter your respective work e-mail address and password.

    o Directors: You have received your district access code via e-mail. If you haven't already, please share this code with your central office staff members.

    o Principals: You have received your building access code via e-mail. If you haven't already, please share this code with your teachers and other staff members.

    Teachers for whom TDE has e-mail addresses have received an e-mail informing them of these learning opportunities and suggesting they obtain building codes from principals. However, principals should communicate information to all staff to be sure they are aware of these opportunities.

4. Once you log in, you will be presented with an overview of learning paths and suggestions for enrollment.

Support and Manage Your and Your School's Online Learning Experience

The Tennessee Student Progress Portal's online learning system offers district and building administrators the ability to assign learning to their staff, track learner progress and stay up-to-date on results. The system offers all users a personalized view of active and completed learning; course review; course completion certificates; and transcripts. For more information about administrative and user features, log in to the portal and download the *BFK•Learn™ Users Guide* and the BFK•Learn™ Webinar videos under "BFK•Learn™."

Questions—Contact CORE Offices

Please refer to the BFK•Learn® User's Guide (available as a downloadable PDF on the Tennessee Student Progress Portal) or contact your respective CORE Office with any questions or for additional assistance.

Thank you for your efforts to use these resources to improve teaching and learning to ensure that all Tennessee students graduate college- and career-ready!
