Following are the program and eligibility requirements for 2011–2012 ASPIRE Awards.

General Eligibility Requirements

To be eligible to participate in the 2011–2012 ASPIRE Awards, HISD employees must meet all of the following general eligibility requirements.

1. Employees must be supervised and evaluated by the principal of the campus where they are serving students. Employees not supervised or evaluated by the principal are not eligible, even if 100% of their time is spent on a campus (e.g., food service employees, Plant Operators, custodians).

2. Employees must have a job/record position assigned to a campus, and must have a campus ID as their department ID by September 6, 2011 (August 29, 2011 if employee is at an Apollo campus). Employees with a job/record position assigned to a non-campus department or with a department ID that is not a campus ID for time reporting are not eligible, with exceptions granted for teachers of record at a campus.

3. Employees must be continuously employed in an eligible position through the last day of school.

4. Employees must complete the instructional-linkage and assignment-verification process, or have this completed by their principal, through the ASPIRE portal by the submission deadline as published annually. It is recommended that employees review instructional-linkage and assignment-verification information on the ASPIRE portal for accuracy.

5. Employees may “opt out” of the ASPIRE Award Program during the linkage and verification process. If an employee does not make a selection, the employee will be included for consideration for an ASPIRE Award.

6. Non-administrative employees eligible under other incentive plans are not eligible for ASPIRE Awards (e.g. Sr. Academic Tutor -- Apollo 20 Math Fellow).

7. Hourly employees in any capacity, including substitute/associate teachers, are not eligible to participate in the ASPIRE Awards. Employees holding an hourly or substitute position must be converted to a non-hourly position by September 6, 2011 (August 29, 2011 if employee is at an Apollo campus) in order to be eligible.

8. Employees who take leave of absence during the eligibility period (e.g., temporary disability, but not family medical leave) are not eligible to participate in the ASPIRE Awards.

9. Employees cannot be absent for more than 10 instructional days during the “instructional school year” (77.50 hours for staff on a 7.75-hour day; 80.00 hours for staff on an 8-hour day). This means first-year employees must commence employment no later than September 6, 2011, as any instructional days missed from the start of their campus’ instructional school year to the date employed will be counted as absent. Staff at Apollo 20 campuses must have commenced employment no later than August 29, 2011. Early release days are treated as other instructional days – the entire day (7.75 hours, or 8.0 hours) is considered instructional. The following types of leave will be held harmless and not count as days absent: funeral leave, military leave, family medical leave, assault leave, jury duty, holidays, religious holidays, floating holiday, vacation pay, compensatory time, and authorized off-campus duty. **Family medical leave, military leave and assault leave must be authorized through Human Resources.**
2011-2012 ASPIRE Awards
Program and Eligibility Requirements
Amended: July 2012

Position Eligibility Requirements and Categorization
Different positions within HISD qualify for various aspects of the ASPIRE Award Program. Following are definitions for position categories and eligibility requirements that will be used to categorize employees for award purposes.

Instructional Position Categories
Employees who qualify as instructional must be certified teaching staff and will fall into either core foundation or elective/ancillary instructional positions as defined below.

Core Foundation Teaching Positions
For employees to qualify as core foundation instructional staff, employees must be assigned to a campus, plan lessons, provide direct instruction to students, and be responsible for providing content grades, not conduct or participation grades.

ASPIRE Core Foundation Courses
The ASPIRE Core Foundation Courses include those courses identified by the Texas Education Agency under the Core Foundation areas of English Language Arts/Reading, Mathematics, Science and Social Studies at the elementary and middle school level and those Core Foundation courses required for graduation credit in the 4 x 4 Recommended or Distinguished High School Diploma programs and/or those courses that contribute directly to data collected and interpreted as part of the growth measure. Fifty percent of the teaching assignment must be in ASPIRE Core Foundation courses to be considered as a core foundation teacher for the purposes of award.

AB. Core Foundation Teachers, Grades 3–8
To be considered in this category, employees must qualify as core foundation teachers and teach at least one and as many as five core foundation subjects in grades 3-8. A teacher-level value-added report should be produced for these employees. For small class sizes, a special analysis may be performed (see Award Model Diagram for further details and definitions). Student linkages are required to be provided during the spring linkage process in order for a teacher to be considered in this category.

C. Core Foundation Teachers, Grades 9–12
To be considered in this category, employees must qualify as core foundation teachers and teach a minimum of seven (7) TAKS, TAKS-accommodated or STAAR students per subject and grade level in grades 9–12 core foundation courses the majority of the school day. For a complete list of these courses, please review the Master Course List with ASPIRE core foundation subjects.

D. Core Foundation Teachers, Pre-Kindergarten through Grade 2
To be considered in this category, employees must qualify as core foundation instructional staff and teach core foundation subjects to students in Pre-Kindergarten through grade 2 the majority of the school day.

E. Special Education Core Foundation Teachers–No Value-Added Report
To be considered in this category, employees must qualify as core foundation instructional staff and teach core foundation subjects to Special Education students in grades 3–8 where a value-added report cannot be generated, or teach fewer than 7 TAKS, TAKS-accommodated or STAAR Special Education students in grades 9–12. All other Special Education teachers will be considered under their respective core foundation teacher category (above). Even if no value-added report is produced, student linkages are required to be provided during the spring linkage process in order for a teacher of grades 3-8 to be considered in this category.
2011-2012 ASPIRE Awards
Program and Eligibility Requirements
Amended: July 2012

Elective/Ancillary Instructional Positions

F. Elective/Ancillary Teachers
To be considered an elective/ancillary teacher, teachers must teach elective/ancillary classes (e.g., art, music, physical education, etc.) or not meet the definitions of core foundation teachers (above) in grades PK–12.

Other Position Categories
In addition to recognizing instructional staff, the ASPIRE Awards also acknowledge the contributions of employees who contribute to student growth in other ways throughout the school year. Following are the categorizations to recognize these employees.

G. Instructional Support Staff
Instructional support-staff members are degreed, certified, or licensed professionals assigned to a campus and provide direct support to the instruction of students. If the instructional support-staff member is assigned to multiple campuses, the percentage of assignment to a single campus cannot be less than 40 percent. Instructional support staff must have a campus ID as their department ID.

For example: counselor, librarian, nurse, speech therapist, speech therapist assistant, evaluation specialist, instructional coordinator, content area specialist, school-improvement facilitator, API, social worker, literacy coach, Magnet or Title I coordinator.

H. Teaching Assistants
Teaching assistants are staff members who have a job classification of teaching assistant and provide direct classroom instructional support to instructional staff.

I. Operational Support Staff
Operational support-staff members are campus-based employees who do not meet the requirements for instructional staff, instructional support staff, or teaching assistants.

For example: school secretary, data entry clerk, teacher aide, clerk, attendance specialist, business manager, SIMS clerk, computer network specialist, registrars, and CET.

Campus Leadership Categories
The ASPIRE Award Program recognizes campus leadership for their contribution to student progress and achievement based on campus and departmental performance. Certification for these positions is required in order to be considered for these categories. The following describe the award category eligibility for leadership positions:

J. Principals
To be considered in this category, employees must meet all eligibility requirements and be the "principal of record" according to HR and PeopleSoft.

K. Assistant Principals/Deans of Instruction/Deans of Students
To be considered in this category, employees must meet all eligibility requirements and be coded as an assistant principal, dean of instruction, or dean of students according to HR and PeopleSoft.

Additional Position Eligibility Requirements

1. For an employee who voluntarily transfers from one ASPIRE Award-eligible position to another ASPIRE Award-eligible position during the eligibility period, the award will be determined on the basis of the ASPIRE Award-eligible position the employee held the greatest percentage of the school year (based on the 187-day duty schedule).
2011-2012 ASPIRE Awards
Program and Eligibility Requirements
Amended: July 2012

For example: On September 5, an employee teaches third-grade math. On February 5, the employee transfers to content specialist on the same campus. Both assignments are ASPIRE Award-eligible. However, the award model and eligibility requirements differ. In this case, the greatest percentage of the “school year” was spent as a third grade, departmentalized, core foundation teacher. Therefore, the award amount would be determined on the basis of the job, a third grade, departmentalized, core foundation teacher.

2. For an employee who transfers from an ASPIRE Award-eligible position to a non-eligible position during the eligibility period, he/she will not be eligible for an award (see General Eligibility Requirements: Rules 2 and 3).

3. The ASPIRE Award for employees who function in multiple categories (above) will be determined based on the job in which they function for the majority of their work day.

4. Employees must have credentials for the position in which they function to be eligible under that category.

For example: A teacher teaching ninth-grade math must be certified or on permit to teach ninth-grade math in order to be eligible as a core foundation 9–12 teacher.

5. For employees who meet the criteria of a core foundation teacher (including Additional Position Eligibility Requirement 3) and for whom a value-added report is produced, the position categorization will be where direct growth can be measured.

For example: If a teacher teaches second- and third-grade reading, and a value-added report is obtained for third grade based on the direct measure of student growth, the teacher would be eligible as a core foundation 3–8 teacher.

6. The production of a value-added report does not necessarily categorize an employee as a core foundation teacher for the purposes of determining ASPIRE Award-position eligibility.

For example: If a value-added report is produced to measure the growth of students by a literacy coach for diagnostic and instructional improvement, the literacy coach is not eligible as a core foundation teacher.

ASPIRE Award Calculation and Payout Rules
The ASPIRE Awards for Teachers will be calculated on the basis of the HISD board-approved model. Certain situations require the adoption of the following award calculation rules in order to apply the award model appropriately.

1. Employees who work less than full time must work at least 40 percent of the school time (equivalent to two days per week) at the same campus to be eligible to receive a prorated ASPIRE Award. The prorated ASPIRE Award will be based on the full-time equivalent (FTE) of their eligible position, the portion of time spent in the eligible position, and the ASPIRE Award level.

For example: A half-time employee or 0.5 FTE who spends all of his or her time at a single campus would be eligible to receive 50 percent of the award. This same employee who works 50 percent of his/her time at two campuses (0.25 FTE at each campus) would not be eligible.

2. Employees whose job record/position is assigned to non-campus departments for time reporting are not eligible for the 2011-2012 ASPIRE Award. Awards for employees whose job record/position is assigned to a campus department for time reporting who are assigned to and work on multiple campuses a minimum of 40 percent of the time, and report directly to the principal (principal is responsible for supervising and evaluating the individual employee) will be calculated and prorated on the basis of the percentage of campus assignments. Examples include evaluation specialists, content specialists, speech therapists, and various Special Education positions.

For example: A campus-assigned, campus-based employee works 50 percent of his or her time at campus A, 25 percent at campus B, and 25 percent at campus C. If the employee is eligible for an ASPIRE Award based on campus data, then the employee would receive 50 percent of the eligible payout at campus A, and would not receive an award for campus B or C.
3. The ASPIRE Award for employees assigned to multilevel campuses (e.g., Gregory Lincoln) will be determined by an average of both campus-award amounts for Strands I and III, where applicable.

4. Good Standing:
   - Employees must be in good standing at the time of payment. Therefore, an employee under investigation or reassigned pending investigation is not eligible for an ASPIRE Award payment until he or she is cleared of any allegation. If the investigation is concluded with a confirmation of inappropriate employee behavior, the employee is not eligible to receive an ASPIRE Award payment.
   - Employees who retire in lieu of termination or resign in lieu of termination are not eligible to receive an ASPIRE Award payment.
   - Employees who were on a Growth Plan or Prescriptive Plan of Assistance (PPA) based on the 2011-2012 spring staff review as determined by multiple measures including observations, walkthroughs, student performance, etc. and whose performance goals were not met by the end of the 2011-2012 school year are not eligible to receive an ASPIRE Award payment.

5. If an employee meets all of the eligibility requirements for an award and then resigns or retires from the district prior to the payout of the awards, the employee is still eligible for the award. It is incumbent upon the employee to provide the district with correct forwarding information so that the award payment can be processed.

6. Core foundation teachers of grades 3-12 and campus leaders whose cumulative gain indices in Strand II are less than or equal to -2.0 across all core foundation subjects they teach or in all grades and subjects upon which their Strand II award is based will not be considered for any award in Strands I and III. This criteria is not applicable to teachers considered as “Special Education” for the purposes of the ASPIRE Award (Category E).

7. For Principals Only: The campus must also be in good standing. If the campus had an approved waiver to the district-testing procedures and if any testing improprieties are reported and confirmed or otherwise substantiated at the campus, the principal will be ineligible to receive an ASPIRE Award payment. If any testing improprieties are reported and confirmed or otherwise substantiated at the campus, the principal may be ineligible to receive an ASPIRE Award payment.
