Graduate Credit Requirements

2013 Online Learning Path – Value-Added

Course Code: 6170A3

Registrants for the online course work, hosted by Battelle for Kids, are eligible for a maximum of one semester hour of graduate credit upon successful completion of the requirements.

Requirements for Credit

- Successful completion of a total of 15 courses in the various offered Learning Paths. It is suggested that you take the path most relevant to your role, and additional courses of interest from other paths (1 course = 1 contact hour).
- Successful completion of the field study activity options listed below.

Action Plan/Reflection

Due: Upon Completion of Online Work

1. Develop an action plan, complete with learning goals, on steps, activities and resources you might use to introduce your colleagues to the concept of value-added analysis. Include how you will explain the value of using this data in your classroom, building and/or district. Also, include a detailed plan as to how you will help advance student achievement as a result of viewing this data. (2 pages)

Mail, e-mail or fax your completed paper to:
