

NEW! Extended Application Deadline and Summer Institute Attendance Options

NEW LEADERSHIP OPPORTUNITY FOR PRINCIPALS

Ohio's Principal Value-Added Leaders for Understanding and Using Value-Added Measures

The Ohio Department of Education, with support from Battelle for Kids, is announcing the selection, development and credentialing of a regionally selected group of school leaders for understanding and using value-added measures. Principals and assistant principals, who have experience using value-added information to inform school improvement efforts are encouraged to apply for this leadership opportunity to improve data literacy among Ohio's school leaders.

BENEFITS INCLUDE THE FOLLOWING:

- A credentialed leadership role in the state of Ohio around understanding and using value-added measures
- An opportunity to showcase your school's use of value-added information during the 2015-16 school year, to accelerate student learning and inform professional practice
- Professional development and materials on both the technical and practical aspects of value-added reporting
- Graduate credit available

OHIO'S PRINCIPAL VALUE-ADDED LEADERS WILL:

- Support professional learning in partnership with Battelle for Kids and the Ohio Department of Education, as requested, at up to two professional learning events in their region and/or state-level conferences during the 2015–16 school year
- Share leadership experiences with analyzing and using value-added information
- Champion the use of value-added information through a variety of communication channels
- Provide feedback around the design and offerings of professional learning opportunities related to value-added understanding and use in Ohio

THE SUCCESSFUL APPLICANT FOR THE PRINCIPAL VALUE-ADDED LEADERS WILL BE:

- Committed to ongoing professional learning with regard to value-added measures and reporting
- Experienced in delivering successful professional learning to administrators and classroom teachers
- Experienced in the successful analysis and use of multiple types of educational data, including value-added information
- Available and committed to attend the four days of the summer learning institute in Columbus, Ohio on the following dates:
 - June 25-26 (Thursday/Friday) OR June 29–30 (Monday/Tuesday)
 - August 5–6 (Wednesday/Thursday)
- Supported by the district/LEA for release for up to two days during the 2015–16 school year

To apply, please complete and submit the application form that follows.

All applications must be submitted by Thursday, May 21, 2015. Applicants will be notified during the week of May 25, 2015. Contact Chasity Edwards with any questions: cedwards@BattelleforKids.org, or (614) 488-5437 x 188.
