

MEASURING STUDENT GROWTH IN THE CLASSROOM

WHAT

Join us for a one-day regional session designed to help leaders and teachers learn how to measure student growth in the classroom. This interactive experience will show you how teachers can collect and respond to evidence of where their students are, and the progress they have made, at any point during the school year. Attendees are eligible to receive a certificate with contact hours upon completion.

WHO

These learning sessions are intended for district and building leaders, teacher leaders and others involved in helping teachers measure student growth in their classrooms.

LEARNING TARGETS

- Know 'what counts' as assessment.
- Understand the characteristics of strong rubric design.
- Understand how PLDs, or Master Rubrics, clarify the path to mastery for a period of learning.
- Understand the characteristics of high-quality assessment blueprints.
- Understand the elements of strong pre- and post-assessment.
- Understand 'growth' in the context of value-added.
- Know how to use a PLD to measure and maximize student growth in the classroom.
- Understand how to use Ohio's FIP resources to support learning and practice.

HOW CAN YOU PREPARE IN ADVANCE?

To prepare for this session, complete the following two online learning modules available on the Ohio Student Progress Portal:

- [Designing Sound Assessment: Creating and Using Rubrics](#)
- [Designing Sound Assessment: Creating and Using PLDs](#) (Performance Level Descriptors or Master Rubrics)

The content in these modules will give you materials and ideas to draw on during the presentation and table activities. This will enable you to maximize your learning and generate ideas to leverage practice in your districts.

If you are new to FIP, you may want to complete one or more of the [Foundations of Formative Instructional Practices](#) modules.

REGISTRATION DETAILS

These events are free for all Ohio educators. Sessions will run from 9:00 am to 3:30 pm with lunch on your own. Note: These sessions have limited seating, so early registration is recommended. See reverse side for dates and locations.

Register in STARS at: <https://safe.ode.state.oh.us/portal> (Search key word "FIP" to find the sessions)

QUESTIONS?

Contact the [FIP Specialist](#) in your region or Virginia Ressa, FIP Project Coordinator, at FIPOhio@education.ohio.gov
